OFFICE OF THE REGISTRAR ACADEMIC AFFAIRS

12<sup>th</sup> March 2021

TO ALL STUDENTS

**RE: FINAL REMINDER ON END OF REGISTRATION FOR THE FEB-  
APRIL 2021 SEMESTER**

We have realized that as at the date of this memo quite a large number of students have not registered, a total contravention of our earlier memo dated 24<sup>th</sup> February 2021. In the said memo the final date was given as 1<sup>st</sup> March 2021. This deadline has since elapsed yet over 500 students have not registered, notably 3<sup>rd</sup> years.

In view of the aforesaid, Students are given a final chance to register by Wednesday, 17<sup>th</sup> March 2021. Beyond this deadline both ERP and *e-jooust* shall close without further reference to you. All students are therefore informed about registration for the semester as follows:

- ❖ You are expected to register online through the student portal-booking units to be undertaken during the current semester
- ❖ You are expected to be registered both in the students' portal (ERP) and *e-jooust* portal.
- ❖ Semester registration is important even when all fees are not cleared and is therefore **mandatory**.

**Students are expected to pay fees to continue receiving teaching/ learning services, failure to which your e-jooust (online) accounts shall be blocked.**

Please oblige. No clemency shall be accepted on the aforesaid.
